River Course at the Alisal Solvang, California

Located in beautiful Solvang, the courses par 72 design was completed in late 1992. Halsey- Daray Architects made full use of the natural rolling terrain to develop lush fairways and challenging greens.

The River Course, located on the famous 10,000-acre Alisal Ranch, is surrounded by the Santa Ynez Mountains, oak trees, native sycamores, elderberry trees, four lakes, and the Santa Ynez River, making this course any golfers delight.

Remembering Mr. Richard Schutte

This year we would like to hold our tournament, honoring our long time friend, camp committee member and supporter, Mr. Richard Schutte.

Mr. Schutte served as our golf committee chair for many years, helping with the Don Whittier Golf Tournament. His presence is deeply missed.

Thank you for your support!
