TIPS FOR PACKING

- Campers will be sharing their cabins with 10–12 other kids, so please limit the amount of luggage brought to camp. Please bring only two pieces of luggage: a large duffel or backpack and sleeping bag in a stuff sack.
- Luggage tags will be handed out at check-in. Tags are used to identify luggage and will have the cabin's name for which your camper is staying.
- Pack only what's needed – your child should be able to carry his or her own suitcase with minimal assistance.
- It is helpful for you and your child to pack together – your camper will know where to find everything and be more likely to bring it all home again.

LOST & FOUND

Lost and found items are sorted and stored at camp until August 7. If you are missing any items, call the Office at 805 962 6776. After September 30, lost and found items will be donated to a local charity that can use children's clothing. *Camp Whittier is not responsible for lost or stolen property.*
